

PharmaLinkage Platform

www.PharmaLinkage.com

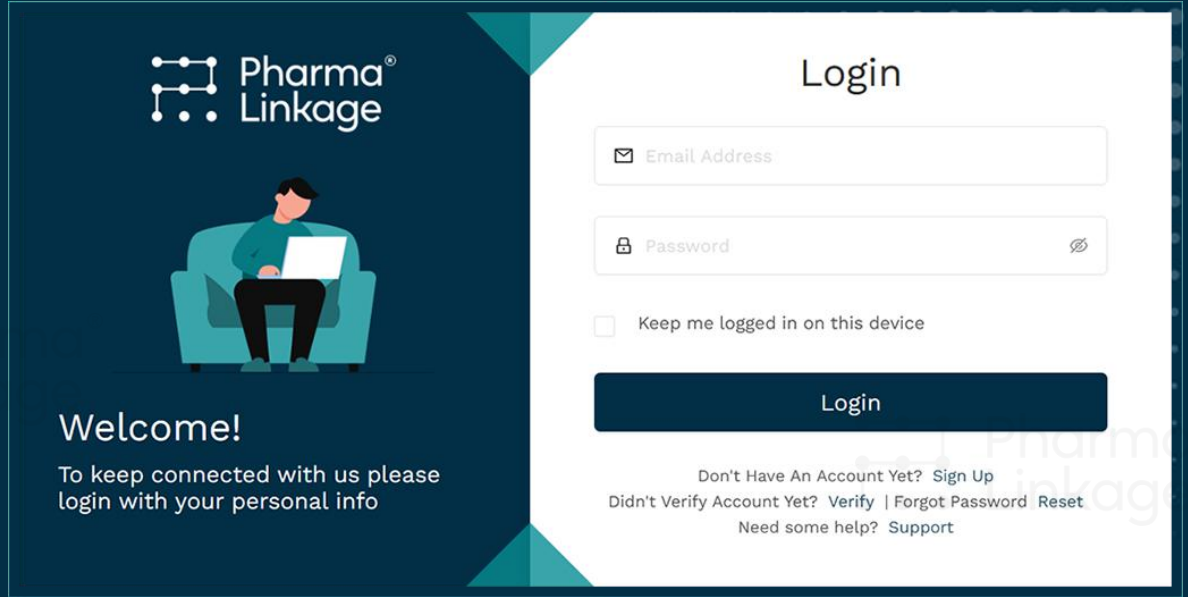

PharmaLinkage's login screen serves as a secure gateway to the platform, ensuring that only authorized users can access it.

Register your pharmaceutical company by clicking on the "Sign Up" link.

Verify your account by Clicking the "Verify" link and following the steps.

If you need to reset your password, click on the "Reset" link.

For any assistance, click on "Support".

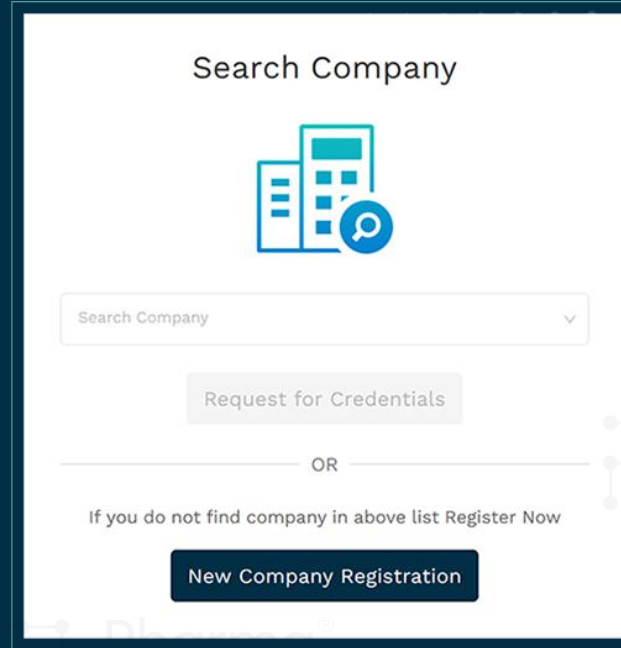

New SignUp

Here Search Company dropdown will help you to find your company.

If your company is already listed with PharmaLinkage, simply click on "Request for Credentials" and fill in the basic details.

If you don't find your company in the search results, follow the simple "New Company Registration" step, which will redirect you to the Company Sign Up page.

The screenshot shows a web interface titled "Search Company". At the top center is an icon representing a building with a magnifying glass. Below the icon is a search input field with the placeholder text "Search Company" and a dropdown arrow on the right. Underneath the search field is a button labeled "Request for Credentials". A horizontal line with the word "OR" in the center separates this from the next section. Below the line, there is a text prompt: "If you do not find company in above list Register Now". At the bottom of this section is a dark blue button with white text that says "New Company Registration".

Request for Credentials

Here, you can raise a request for your login credentials by filling in the basic information mentioned on this screen.

After requesting, await approval from the registered company personnel.

Once you are approved by the company personnel, you'll receive an email with a reset password link.

Request for Credentials

* Company Name	* Person Name

Company Corporate Presentation

Business Lounge

In this screen, pharmaceutical companies can find API, formulations, or CDMO-type manufacturing facilities through our well-created search feature.

You can use filters like country, regulatory approvals, quantity, manufacturing capacity, etc. to find the manufacturing facilities that match your requirements.

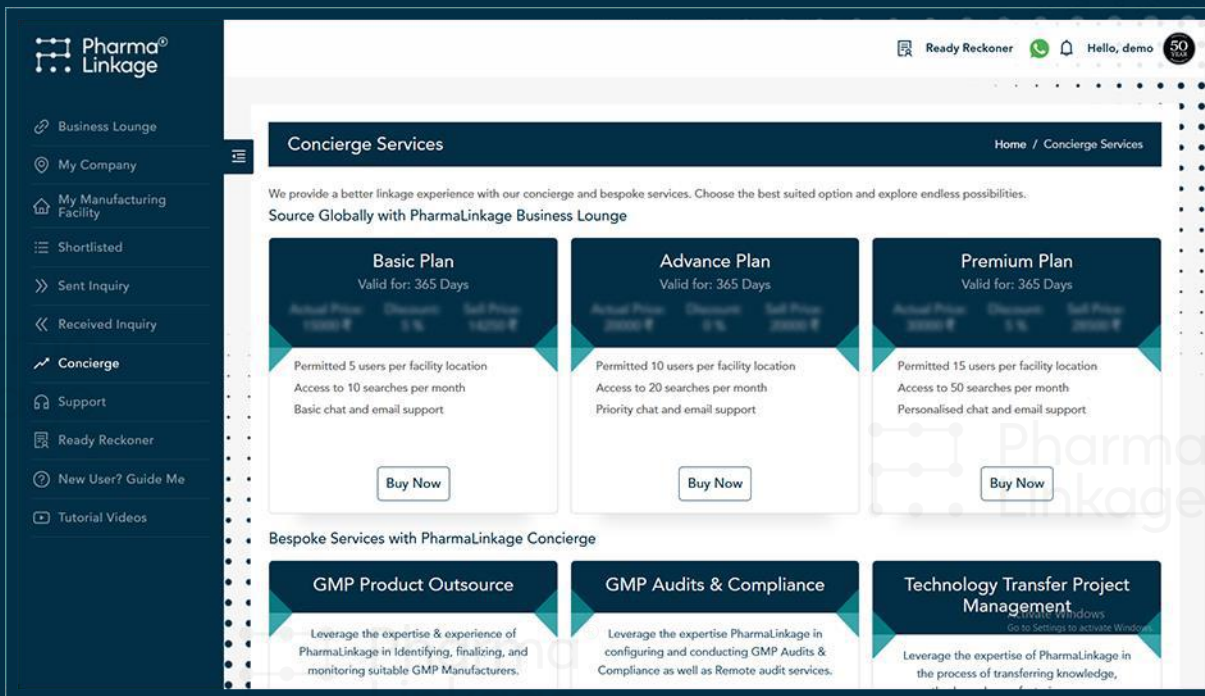

The screenshot displays the Pharma Linkage Business Lounge interface. On the left is a dark blue sidebar with navigation options: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area has a white background with a dark blue header. The header includes the Pharma Linkage logo, a 'Ready Reckoner' button, a user profile 'Hello, demo', and a notification icon with '50'. Below the header, there are tabs for 'API', 'FORMULATION', and 'CDMO', with 'API' selected. A search bar labeled 'Product Name' is present with the placeholder text 'Search For API by Product Name'. A 'Filter' section is visible below the search bar. The main area displays four facility cards, each with a dark blue header and a white body. Each card shows the facility type as 'API', manufacturing capacity in KL, total quantity in MT/month, and the countries it supplies to. Each card also includes a 'Regulatory Approvals' section and 'More info' and 'Send Inquiry' buttons.

Facility Type	API	FORMULATION	CDMO	
Manufacturing Capacity in KL	KL	65565 KL	1000 KL	10003 KL
Total Quantity (MT/month)	MT / month	778 MT / month	2000 MT / month	6000 MT / month
Supplying To				

Concierge Service

PharmaLinkage concierge service is an added feature that provides personalized assistance and support to pharmaceutical companies throughout their engagement with the platform.

The concierge service of PharmaLinkage aims to provide a high level of personalized assistance, streamlining the process of finding manufacturing partners.

The screenshot displays the PharmaLinkage Concierge Services page. On the left is a dark blue navigation sidebar with the PharmaLinkage logo and menu items: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge (highlighted), Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area has a dark blue header with the PharmaLinkage logo and navigation icons for Ready Reckoner, Hello, demo, and a 50% discount badge. Below the header, the page title is "Concierge Services" with a breadcrumb "Home / Concierge Services". A sub-header reads: "We provide a better linkage experience with our concierge and bespoke services. Choose the best suited option and explore endless possibilities. Source Globally with PharmaLinkage Business Lounge".

Three plan cards are shown under "Source Globally with PharmaLinkage Business Lounge":

Plan Name	Valid for	Permitted Users	Searches per Month	Support
Basic Plan	365 Days	5 users per facility location	Access to 10 searches per month	Basic chat and email support
Advance Plan	365 Days	10 users per facility location	Access to 20 searches per month	Priority chat and email support
Premium Plan	365 Days	15 users per facility location	Access to 50 searches per month	Personalised chat and email support

Each plan card includes a "Buy Now" button. Below the plan cards, the section "Bespoke Services with PharmaLinkage Concierge" features three service cards:

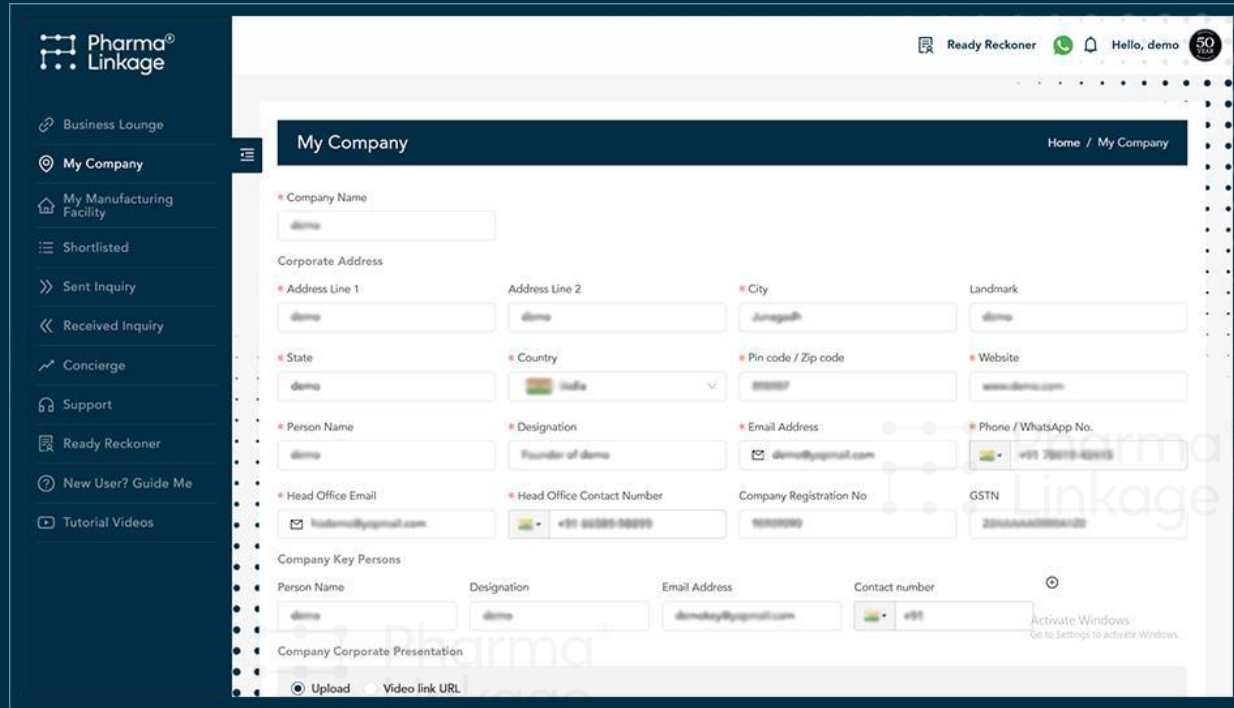

- GMP Product Outsource:** Leverage the expertise & experience of PharmaLinkage in identifying, finalizing, and monitoring suitable GMP Manufacturers.
- GMP Audits & Compliance:** Leverage the expertise PharmaLinkage in configuring and conducting GMP Audits & Compliance as well as Remote audit services.
- Technology Transfer Project Management:** Leverage the expertise of PharmaLinkage in the process of transferring knowledge.

My Company

By using this screen, you can modify your company information such as:

- Corporate Address
- Company Key Persons
- Company Corporate Presentation
- See the list of all facilities of your company

When you click on the "My Company" menu for the first time, a data consent template will appear and you will be asked for your consent for the first time.

The screenshot shows the Pharma Linkage 'My Company' form. The form is divided into several sections:

- Company Name:** A text input field containing 'demo'.
- Corporate Address:** A section with four input fields: Address Line 1 (demo), Address Line 2 (demo), City (Joragudi), and Landmark (demo).
- State, Country, Pin code / Zip code, Website:** Four input fields: State (demo), Country (India), Pin code / Zip code (800007), and Website (www.demo.com).
- Person Name, Designation, Email Address, Phone / WhatsApp No.:** Four input fields: Person Name (demo), Designation (Founder of demo), Email Address (demo@ppmail.com), and Phone / WhatsApp No. (+91 78019 40015).
- Head Office Email, Head Office Contact Number, Company Registration No, GSTN:** Four input fields: Head Office Email (headdemo@ppmail.com), Head Office Contact Number (+91 80285 58225), Company Registration No (8000000), and GSTN (2200000000000000).
- Company Key Persons:** A table with columns for Person Name, Designation, Email Address, and Contact number. The first row contains 'demo', 'demo', 'demo@ppmail.com', and '+91'.
- Company Corporate Presentation:** A section with two radio buttons: 'Upload' (selected) and 'Video link URL'.

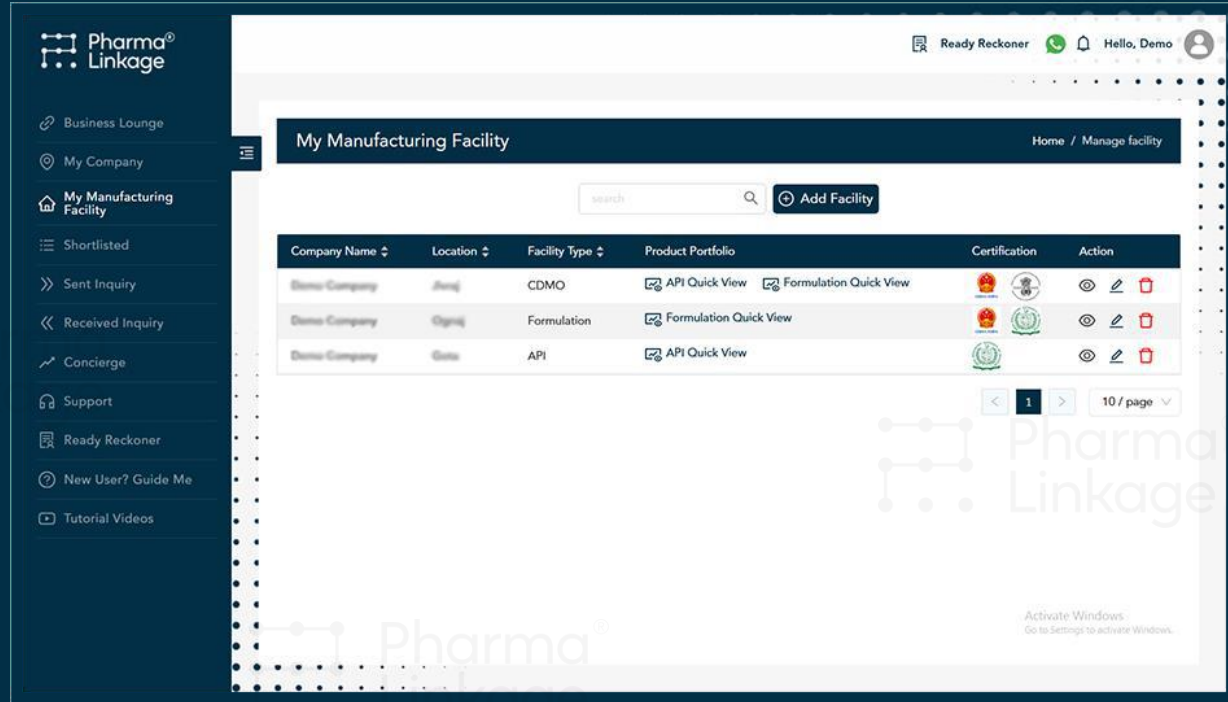

The form also includes a sidebar menu on the left with options like Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The top right corner shows 'Ready Reckoner', 'Hello, demo', and a '50%' badge.

My Manufacturing Facility

In this screen, you can create and manage your manufacturing facilities.

Here, you can view/edit/delete your listed facilities.

To list a new facility, click on the "Add Facility" button.

The screenshot displays the 'My Manufacturing Facility' dashboard. On the left is a dark blue sidebar with navigation options: Business Lounge, My Company, My Manufacturing Facility (active), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area has a white background with a dark blue header bar containing the Pharma Linkage logo, the title 'My Manufacturing Facility', and a breadcrumb 'Home / Manage facility'. Below the header is a search bar and an 'Add Facility' button. A table lists three facilities:

Company Name	Location	Facility Type	Product Portfolio	Certification	Action
Demo Company	India	CDMO	API Quick View Formulation Quick View		
Demo Company	China	Formulation	Formulation Quick View		
Demo Company	China	API	API Quick View		

At the bottom of the table, there is a pagination control showing '1' of 10 pages. The Pharma Linkage logo is faintly visible in the background of the main content area.

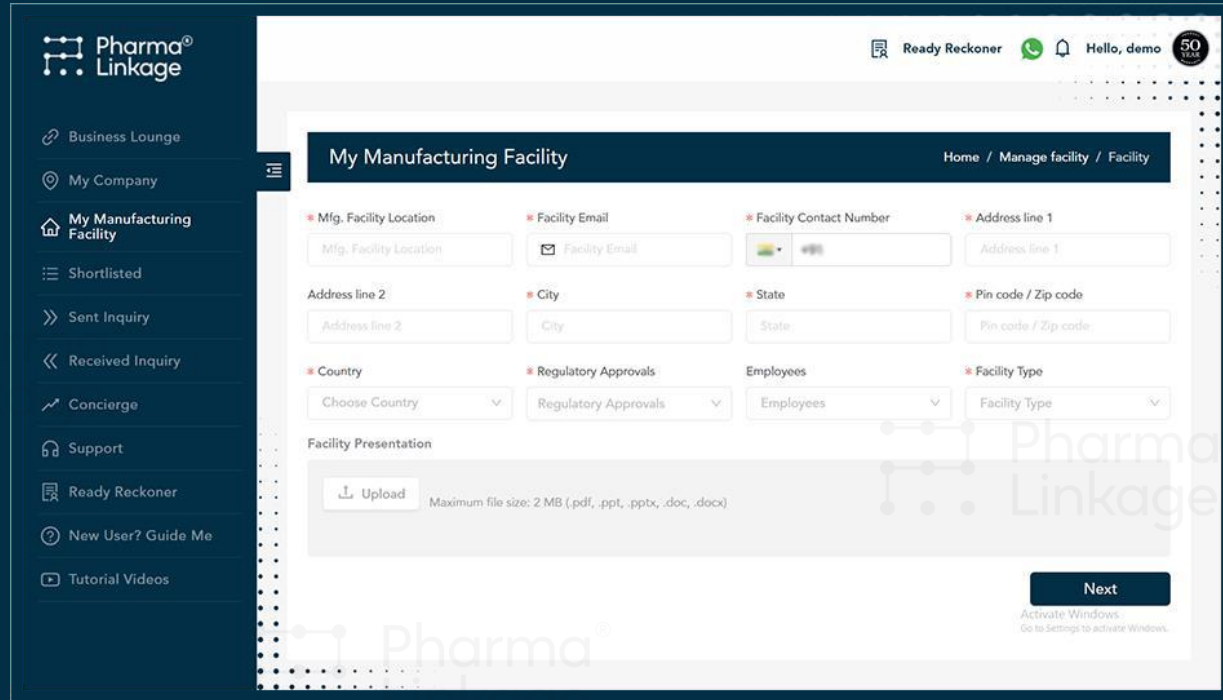

Add Facility

By using this screen, you can list a new manufacturing facility by filling in the mandatory information provided on the screen.

Also, you can add your manufacturing facility presentation by clicking on the 'Upload' button.

Remember to save all the above information, and you can proceed to the next screen by clicking on the "Next" button.

When you click on the "My Manufacturing Facility" menu for the first time, a data consent template will appear and you will be asked for your consent for the first time.

The screenshot displays the 'My Manufacturing Facility' form within the Pharma Linkage application. The interface includes a dark blue sidebar on the left with navigation options: Business Lounge, My Company, My Manufacturing Facility (selected), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled 'My Manufacturing Facility' and shows a breadcrumb trail: Home / Manage facility / Facility. The form contains several input fields and dropdown menus, all marked with a red asterisk to indicate they are mandatory. The fields are: Mfg. Facility Location, Facility Email, Facility Contact Number, Address line 1, Address line 2, City, State, Pin code / Zip code, Country, Regulatory Approvals, Employees, and Facility Type. Below these fields is a 'Facility Presentation' section with an 'Upload' button and a note: 'Maximum file size: 2 MB (.pdf, .ppt, .pptx, .doc, .docx)'. A 'Next' button is located at the bottom right of the form. The top right corner of the application shows the user's name 'Hello, demo', a 'Ready Reckoner' icon, and a '50 YEARS' anniversary badge.

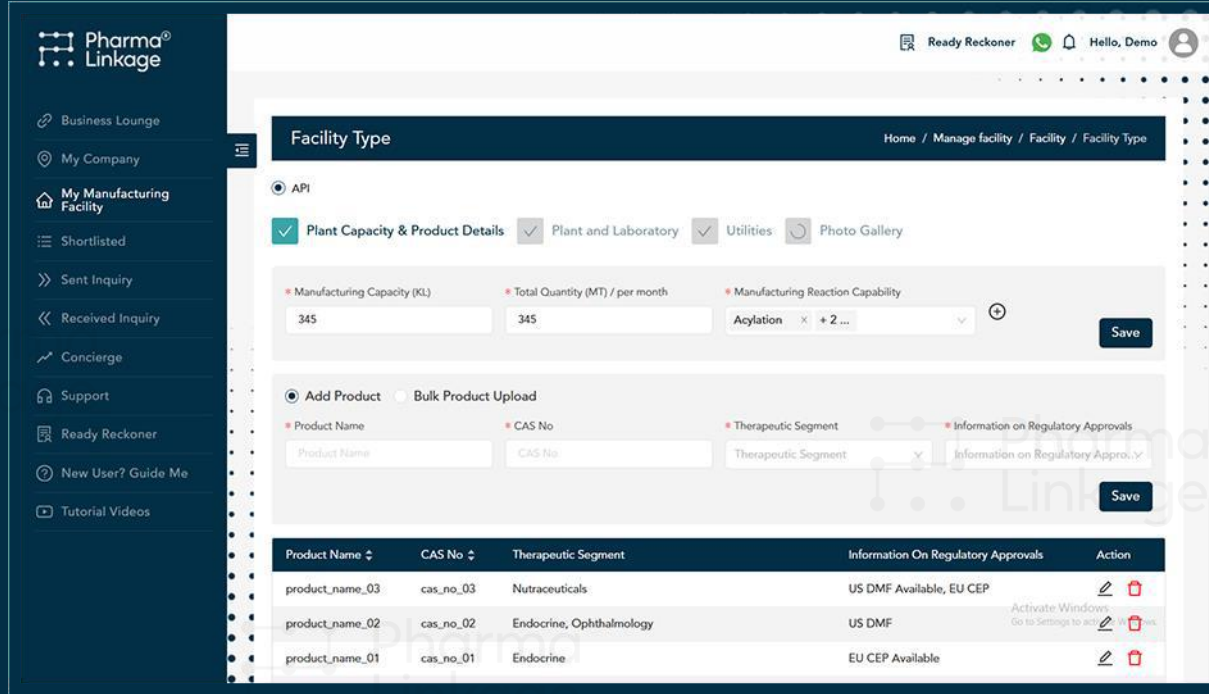

Manufacturing Facility – API

This screen is for the API manufacturing facility, and here you can add/edit all mandatory fields for the API facility.

You can manually add products by providing product names, CAS No, therapeutic segment, and information on Regulatory Approvals.

Alternatively, you can use the "Bulk Product Upload" feature to add multiple/bulk products by following these steps:

- Download the Sample Format
- Fill up product information in the same format as provided in the sample
- Upload the completed file

The screenshot displays the Pharma Linkage web application interface. The left sidebar contains navigation options: Business Lounge, My Company, My Manufacturing Facility (selected), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled 'Facility Type' and shows the configuration for an API facility. The 'API' radio button is selected. Below this, there are three sections: 'Plant Capacity & Product Details', 'Plant and Laboratory', and 'Utilities'. The 'Plant Capacity & Product Details' section includes input fields for 'Manufacturing Capacity (KL)' (345), 'Total Quantity (MT) / per month' (345), and 'Manufacturing Reaction Capability' (Acylation x + 2 ...). The 'Add Product' section is active, showing input fields for 'Product Name', 'CAS No', 'Therapeutic Segment', and 'Information on Regulatory Approvals'. At the bottom, a table lists existing products:

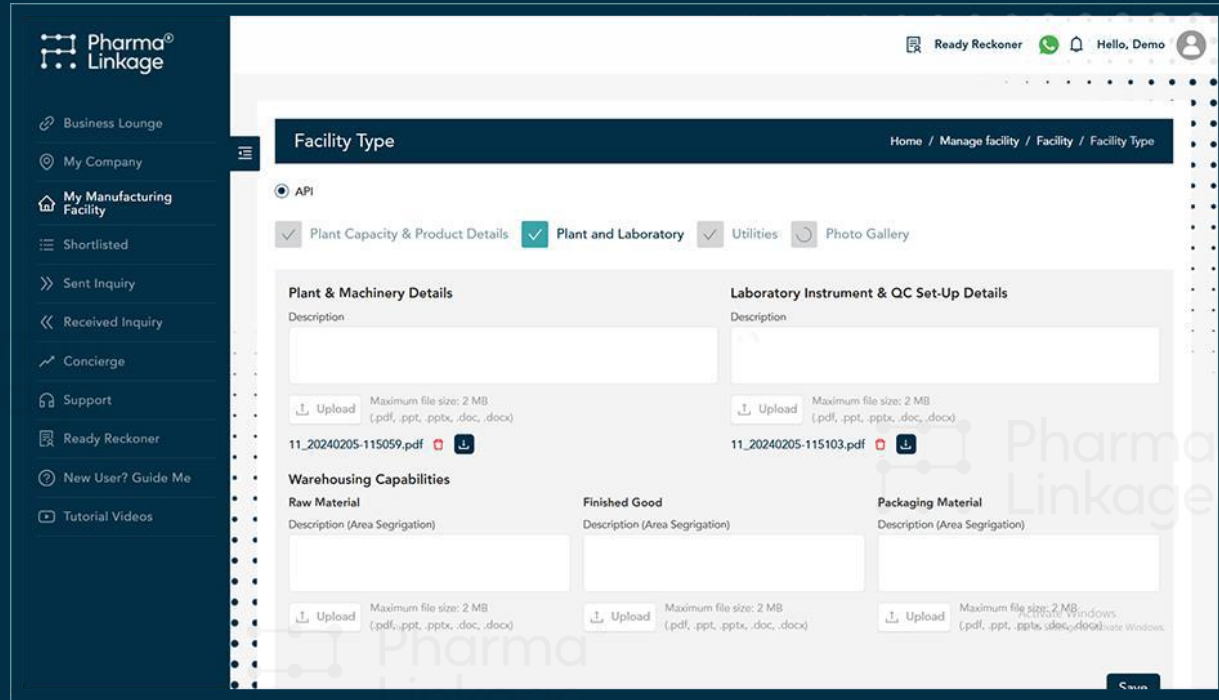

Product Name	CAS No	Therapeutic Segment	Information On Regulatory Approvals	Action
product_name_03	cas_no_03	Nutraceuticals	US DMF Available, EU CEP	 
product_name_02	cas_no_02	Endocrine, Ophthalmology	US DMF	 
product_name_01	cas_no_01	Endocrine	EU CEP Available	 

API - Plant and Laboratory

In this section, you will provide plant and machinery details, lab instrument, and QC set-up details for your manufacturing facility.

For warehousing capabilities, you will be prompted to give a description of raw material warehouses, finished good warehouses, and packaging material warehouses.

Enter the number of classified areas for each classification.

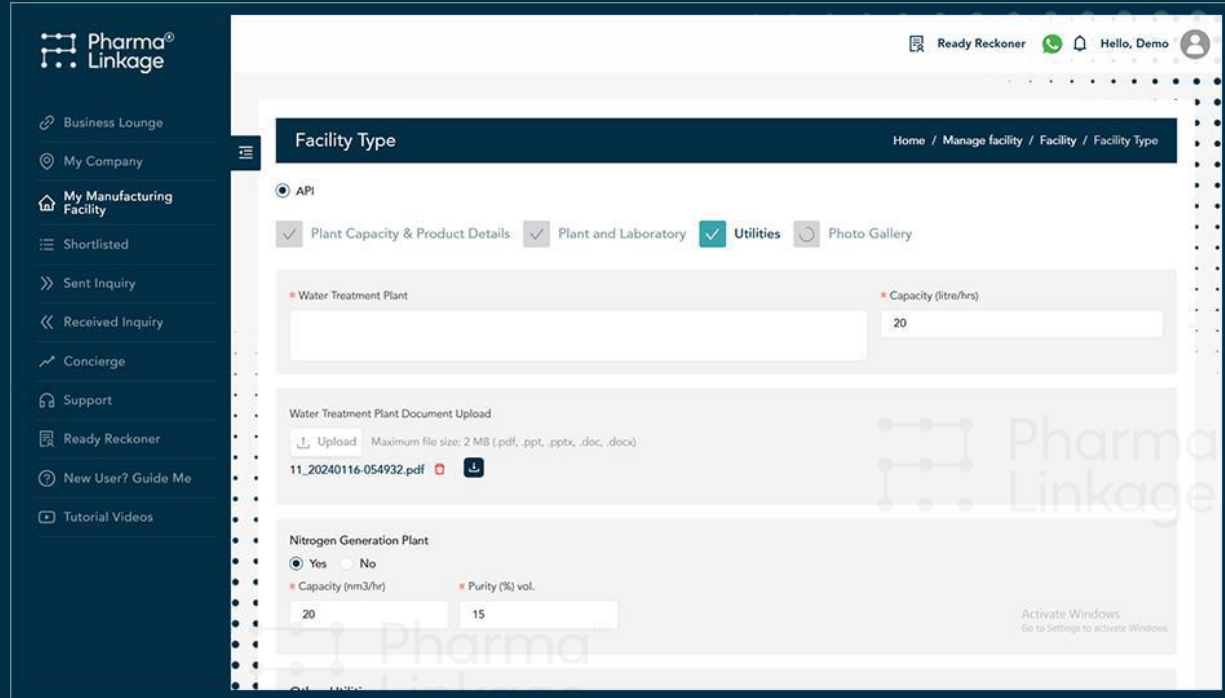

API – Utilities

In this screen, fill in the necessary details, such as the Water Treatment System and its Capacity.

If your facility has a Nitrogen Generation Plant, then select the "Yes" option and fill in the required fields.

You can also add additional utilities if needed and then click "Save" to save all the details.

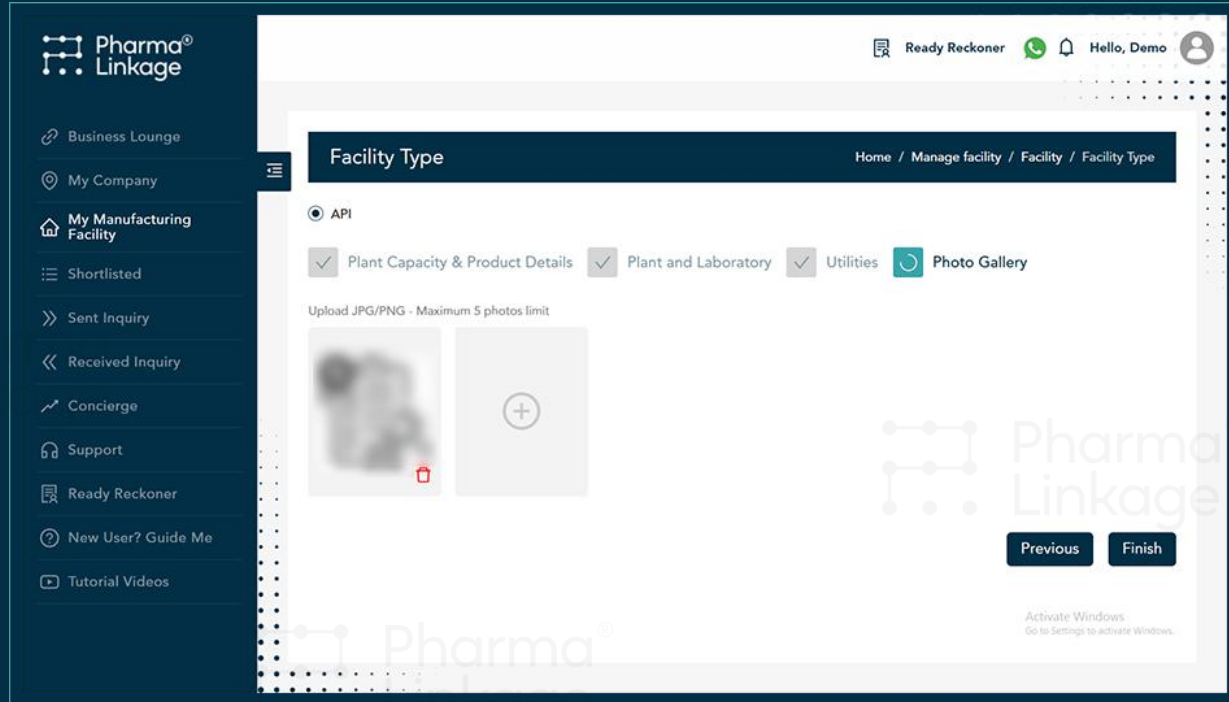

The screenshot shows the 'Facility Type' form in the Pharma Linkage application. The left sidebar contains navigation options: Business Lounge, My Company, My Manufacturing Facility (selected), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled 'Facility Type' and includes a breadcrumb trail: Home / Manage facility / Facility / Facility Type. The form is divided into sections: 'API' (selected), 'Plant Capacity & Product Details', 'Plant and Laboratory', 'Utilities' (checked), and 'Photo Gallery'. Under 'Utilities', there is a 'Water Treatment Plant' section with a text input field and a 'Capacity (litre/hrs)' input field containing the value '20'. Below this is a 'Water Treatment Plant Document Upload' section with an 'Upload' button and a file name '11_20240116-054932.pdf'. The 'Nitrogen Generation Plant' section has radio buttons for 'Yes' (selected) and 'No', and two input fields: 'Capacity (mm3/hr)' with the value '20' and 'Purity (%) vol.' with the value '15'. A watermark 'Pharma Linkage' is visible in the background of the form.

API – Photo Gallery

Using this screen, you can add/delete API manufacturing facility photographs.

You can add up to 5 photographs in JPG/PNG format.

After adding the photographs, click on the "Finish" button to save all the details.

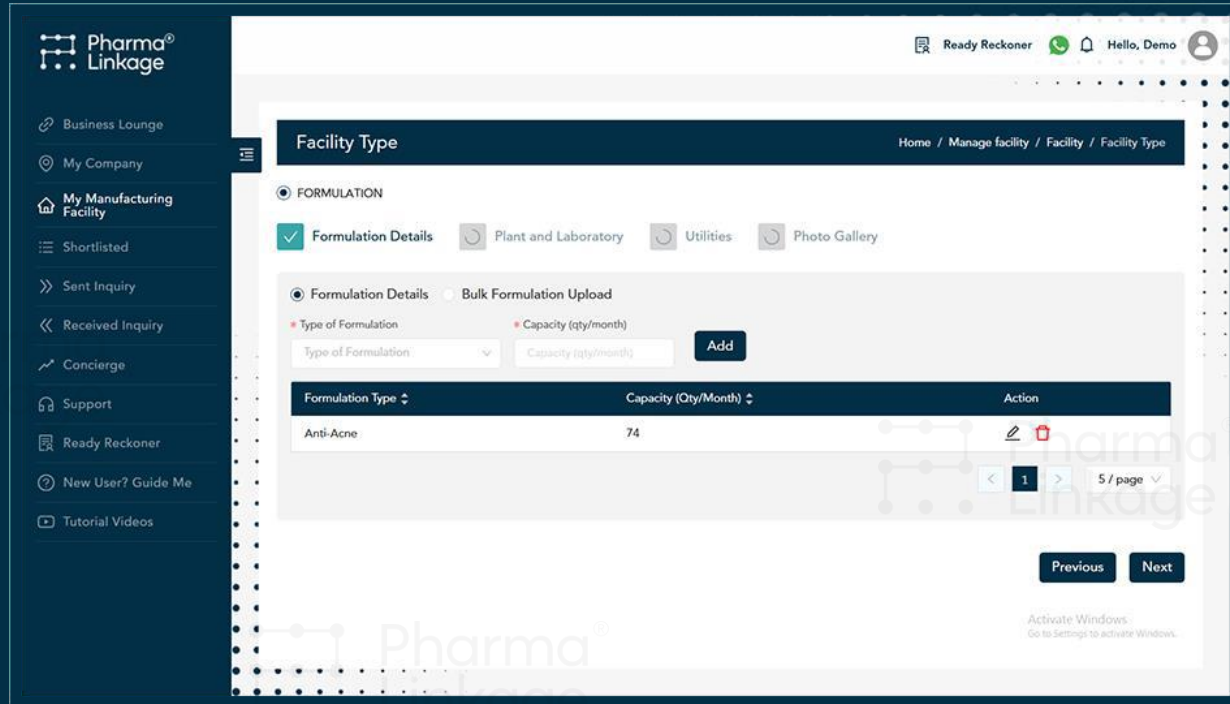

The screenshot displays the Pharma Linkage web application interface. On the left is a dark blue sidebar menu with the Pharma Linkage logo at the top and the following navigation items: Business Lounge, My Company, My Manufacturing Facility (highlighted), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled "Facility Type" and includes a breadcrumb trail: Home / Manage facility / Facility / Facility Type. Below the title, there is a radio button for "API" and four checked checkboxes: "Plant Capacity & Product Details", "Plant and Laboratory", "Utilities", and "Photo Gallery". A text prompt reads "Upload JPG/PNG - Maximum 5 photos limit". Below this, there is a blurred image placeholder with a red trash icon and a grey square with a white plus sign for adding more photos. At the bottom right of the main area are "Previous" and "Finish" buttons. A watermark "Pharma Linkage" is visible in the background of the main content area. The top right of the page shows user information: "Ready Reckoner", a WhatsApp icon, a bell icon, "Hello, Demo", and a user profile icon.

Manufacturing Facility – Formulation

This screen is for the Formulation manufacturing facility, and here you can add/edit all mandatory fields for the Formulation Details.

You can use the "Bulk Formulation Upload" feature to add multiple/bulk Formulations by following these steps:

- Download the Sample Format
- Fill up Formulations information in the same format as provided in the sample
- Upload the completed file

Manufacturing Facility API Detail

This screen is dedicated to the API manufacturing facility, providing an overview of API manufacturing capacity, total quantity, and reaction capability information.

Furthermore, it displays the names of API products, CAS Numbers, therapeutic segments, and information on Regulatory Approvals. Alongside, details regarding the Plant and Laboratory, Utilities, and Facility Photos are presented.

The screenshot shows the Pharma Linkage interface for a Manufacturing Facility API. The left sidebar contains navigation options: Business Lounge, My Company, My Manufacturing Facility (selected), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled "Facility Type - API" and displays the following information:

- Manufacturing Capacity (KL): 123 KL
- Total Quantity (MT/month): 3333333333 KL
- Manufacturing Reaction Capability: Acylation, Acid Chloride Reaction, Acetylation

A table lists API products with their details:

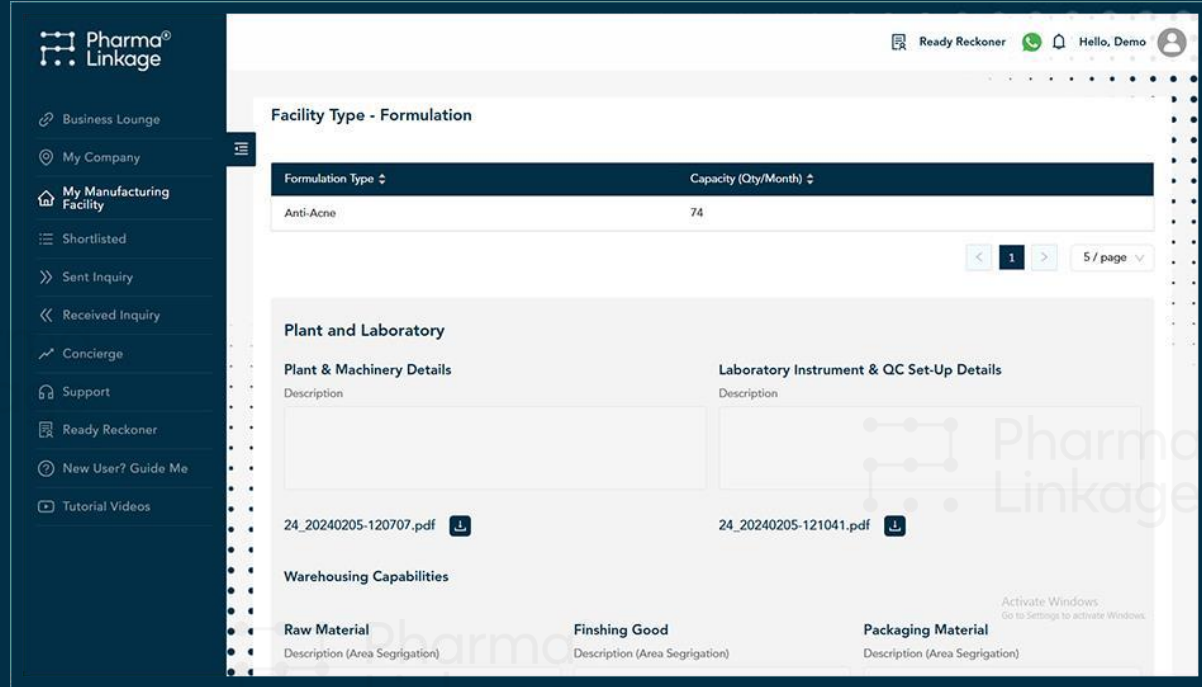

Product Name	CAS No	Therapeutic Segment	Information On Regulatory Approvals
product_name_03	cas_no_03	Nutraceuticals	US DMF Available, EU CEP
product_name_02	cas_no_02	Endocrine, Ophthalmology	US DMF
product_name_01	cas_no_01	Endocrine	EU CEP Available
test	123	Ophthalmology, Reproductive Health, Ron_Segment	EU CEP Available, US DMF Available

Below the table, there are sections for "Plant and Laboratory" details, including "Plant & Machinery Details" and "Laboratory Instrument & QC Set-Up Details". The page also includes a pagination control showing "5 / page" and a watermark for Pharma Linkage.

Manufacturing Facility Formulation Detail

This screen showcases the Formulation manufacturing facility. Here, you can access all mandatory fields related to the Formulation facility.

In addition, the list of formulations and their descriptions are displayed, along with details about the Plant and Laboratory, Utility, and Images of the Formulation facility.

The screenshot displays the Pharma Linkage web application interface for the Manufacturing Facility Formulation Detail. The interface includes a dark blue sidebar with navigation options: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled "Facility Type - Formulation" and features a table with the following data:

Formulation Type	Capacity (Qty/Month)
Anti-Acne	74

Below the table, there are sections for "Plant and Laboratory" details, including "Plant & Machinery Details" and "Laboratory Instrument & QC Set-Up Details". There are also two PDF download links: "24_20240205-120707.pdf" and "24_20240205-121041.pdf". At the bottom, there are sections for "Warehousing Capabilities", "Raw Material", "Finishing Good", and "Packaging Material", each with a "Description (Area Segregation)" field. The interface also includes a top navigation bar with "Ready Reckoner", "Hello, Demo", and a user profile icon.

Manufacturing Facility - CDMO Detail View

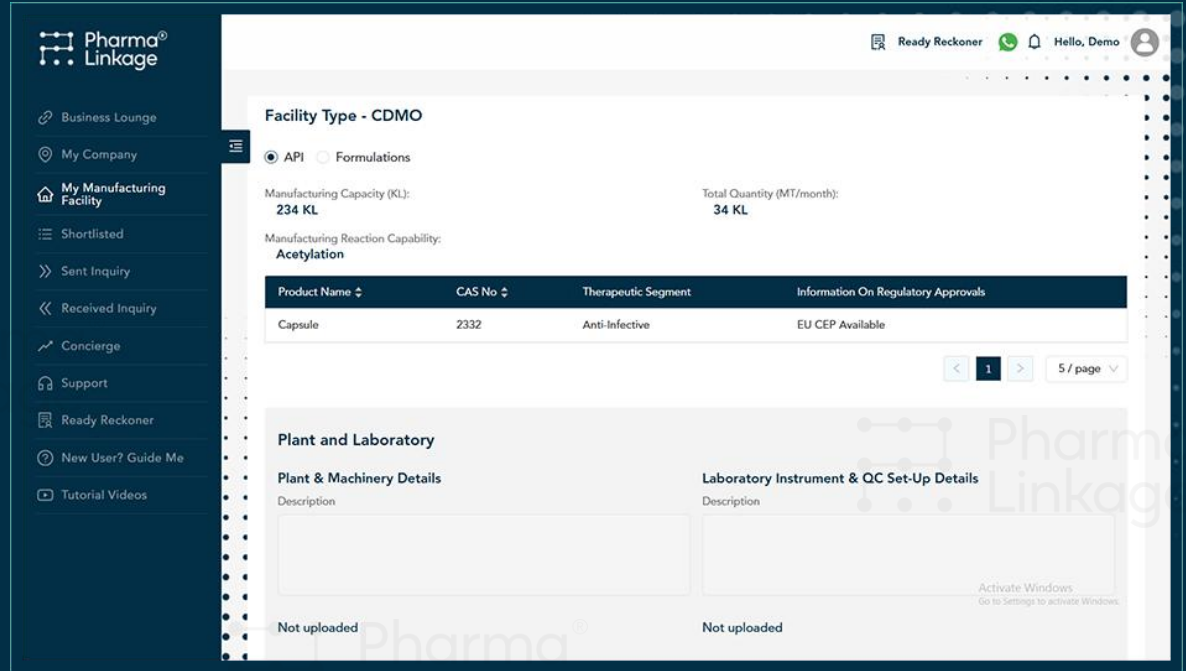

This screen is dedicated to the CDMO's API/Formulation manufacturing facility. Here, you can access all the fields along with their corresponding values for the CDMO's facility.

In this screen, we combine the details of both the API/Formulation manufacturing facilities.

This screen presents a comprehensive overview of all the facility's details, such as:

- Manufacturing Capacity
- Total Quantity
- Plant & Machinery Details
- Lab Instrument & QC Set-Up Details
- and Much More.

This applies to both the CDMO's API/Formulation facility types.

The screenshot displays the Pharma Linkage web application interface for a CDMO facility. The left sidebar contains navigation options: Business Lounge, My Company, My Manufacturing Facility (selected), Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area is titled "Facility Type - CDMO" and includes tabs for "API" (selected) and "Formulations".

Key data points shown include:

- Manufacturing Capacity (KL): 234 KL
- Total Quantity (MT/month): 34 KL
- Manufacturing Reaction Capability: Acetylation

A table lists product details:

Product Name	CAS No	Therapeutic Segment	Information On Regulatory Approvals
Capsule	2332	Anti-Infective	EU CEP Available

Below the table, there are sections for "Plant and Laboratory" details, including "Plant & Machinery Details" and "Laboratory Instrument & QC Set-Up Details", both currently showing "Not uploaded".

Shortlisted Facilities

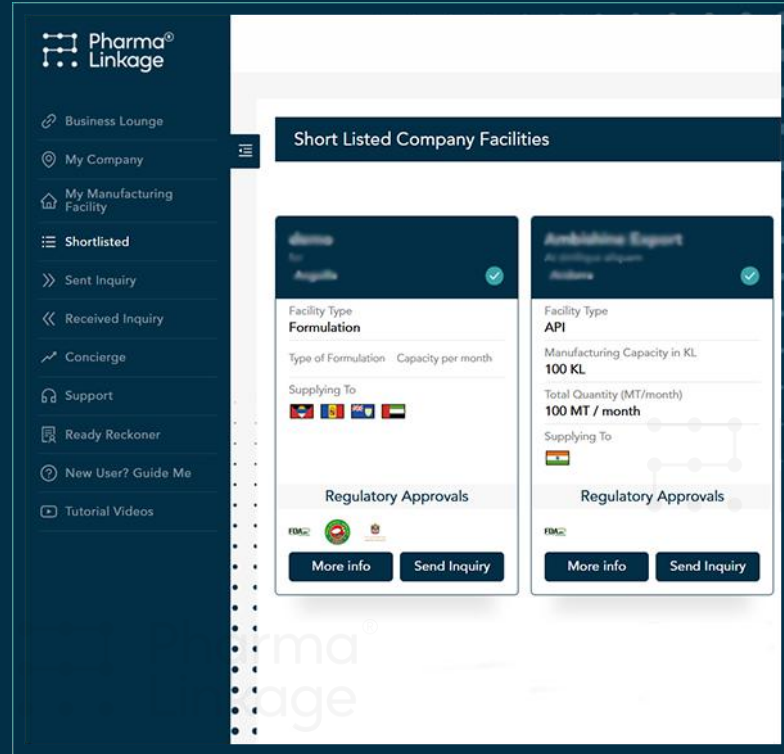

In this screen, You can see the list of shortlisted company's facilities.

In the Business Lounge, you'll find a list of pharmaceutical companies and their profiles. Review the company profiles to identify the ones you're interested in shortlisting.

To access your shortlist, navigate to left menu Look for a section like 'Shortlisted'.

In your shortlist, you'll see the companies you've added from the Business Lounge.

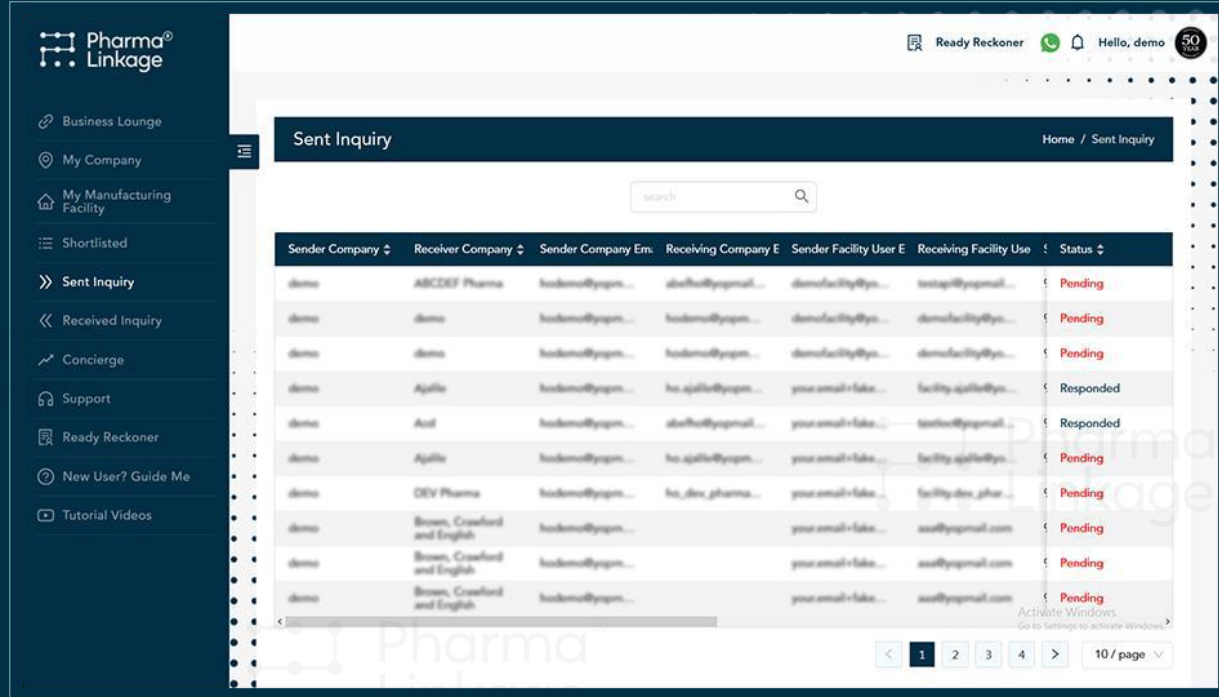

You can review, compare, or contact these companies directly from your shortlist.

Sent Inquiry

In this screen, you can find a list of companies to whom you have sent inquiries, along with their details.

The screen also provides status information, indicating whether the inquiry is pending, responded to, or closed.

The screenshot shows the Pharma Linkage 'Sent Inquiry' page. The sidebar on the left contains the following navigation items: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry (selected), Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area features a search bar and a table of inquiries.

At the bottom of the page, there is a pagination control showing '10 / page' and a page number '1'.

Received Inquiry

Additionally, we have a dedicated 'Receive Inquiry' section that enables you to easily view and manage the inquiries you have received from various manufacturing facilities.

Through the "Status" feature, you can update the inquiry status from pending to responded or closed.

User Guide – Tour

When you first visit our platform, we provide you with the Welcome Tour.

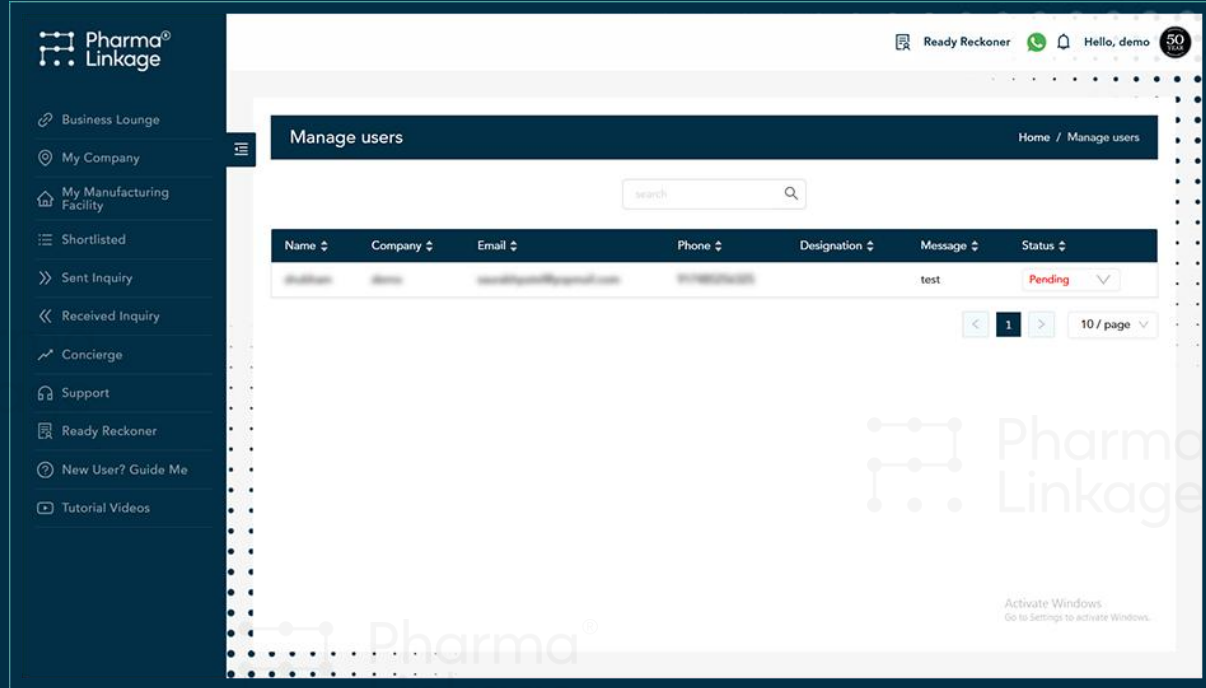

The purpose of this tour is to give you an overview of the features and functions of our platform.

Manage User

In this screen, users can see the list of requested company personnel who have applied for credentials from different facilities of the same company.

Existing company personnel have the authority to activate or deactivate users. Once a user is activated, they will receive an email with a link to set their password.

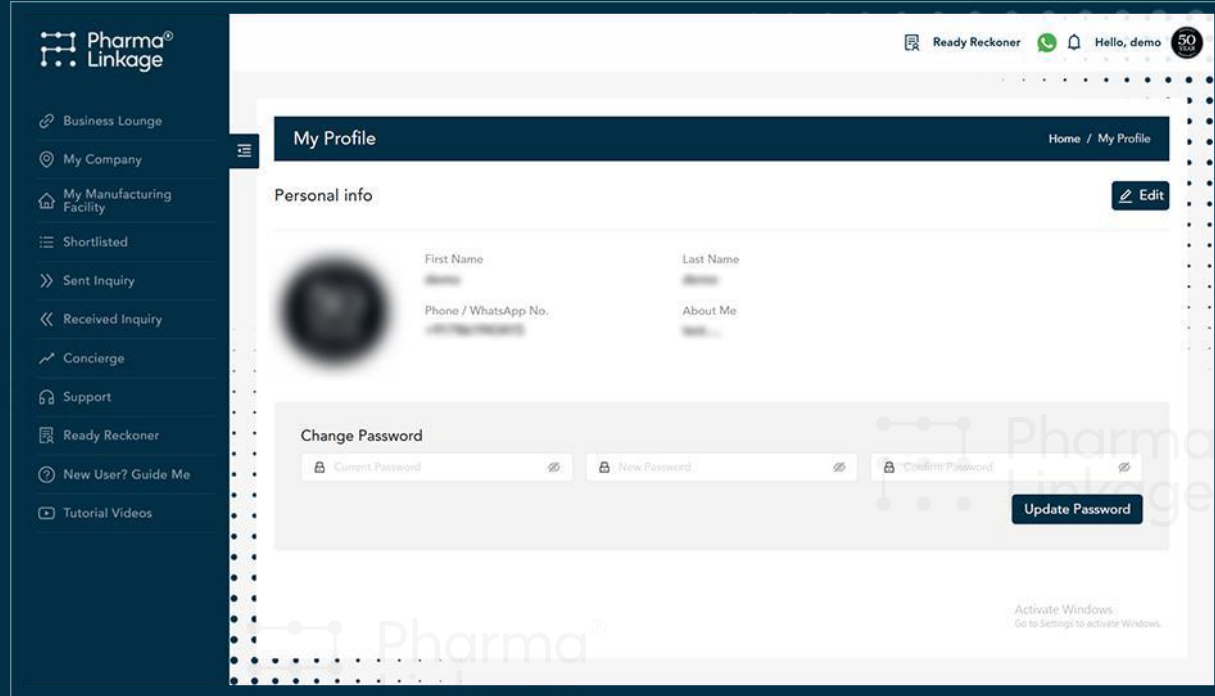

The screenshot displays the 'Manage users' interface within the Pharma Linkage application. On the left is a dark blue sidebar with navigation options: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area has a white background with a dark blue header bar containing the Pharma Linkage logo and the text 'Manage users'. Below the header is a search bar. A table lists user information with columns for Name, Company, Email, Phone, Designation, Message, and Status. One user is listed with the status 'Pending'. At the bottom right of the table area, there are navigation controls for page 1 of 10. The interface also includes a top navigation bar with 'Ready Reckoner', a chat icon, a notification icon, and the text 'Hello, demo' next to a '50' badge. A faint 'Pharma Linkage' watermark is visible in the background of the main content area.

Profile

In this screen, you can edit your personal information and upload a profile photo.

Also, you have the option to change your current password.

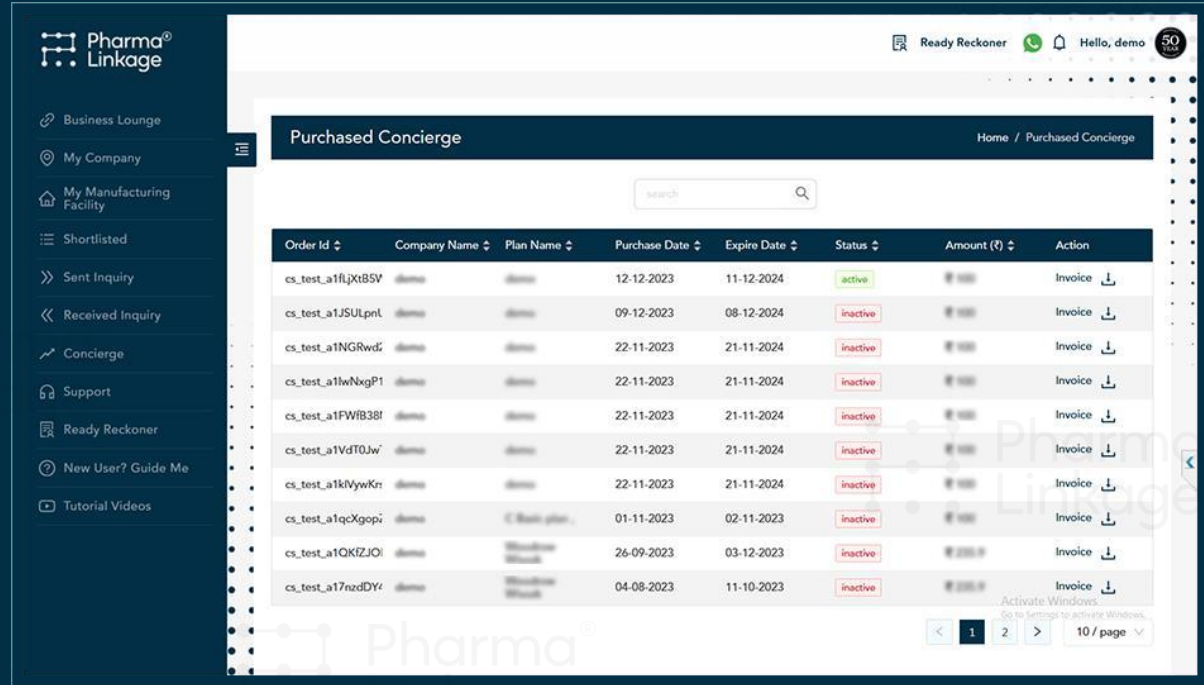

The screenshot displays the 'My Profile' page within the Pharma Linkage application. On the left is a dark blue sidebar menu with the Pharma Linkage logo at the top and several navigation items: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area has a white background and a dark blue header with the Pharma Linkage logo and the text 'My Profile' and 'Home / My Profile'. Below the header is a 'Personal info' section with an 'Edit' button. It contains a profile picture placeholder and four input fields: First Name, Last Name, Phone / WhatsApp No., and About Me. Below this is a 'Change Password' section with three password input fields (Current Password, New Password, Confirm Password) and an 'Update Password' button. At the bottom right, there is a 'Windows' watermark and a small 'Activate Windows' notification.

My Subscriptions

The Purchased Concierge screen displays a list of your purchased subscription information.

It shows your active subscriptions with the subscription purchase ID, start and end dates of the subscription.

You can also download the invoice copy of your purchased subscription.

The screenshot shows the 'Purchased Concierge' interface. On the left is a navigation menu with options: Business Lounge, My Company, My Manufacturing Facility, Shortlisted, Sent Inquiry, Received Inquiry, Concierge, Support, Ready Reckoner, New User? Guide Me, and Tutorial Videos. The main content area displays a table of purchased subscriptions. The table has columns for Order ID, Company Name, Plan Name, Purchase Date, Expire Date, Status, Amount (₹), and Action. The first row shows an active subscription with Order ID 'cs_test_a1fljxtB5V' and an amount of ₹ 100. Other rows show inactive subscriptions with various Order IDs and amounts. A search bar is located above the table. The bottom right corner of the screen shows a page indicator for 10 pages.
